

## **REMARKS / DISCUSSION OF ISSUES**

Claims 1-8 are pending in the application. Claims 1 and 8 are the independent claims. In view of the indication of allowability of all claims, it seems that only the objections to the specification remain. These are believed to be improper as discussed below.

### **Allowable Subject Matter**

Applicant acknowledge with thanks the indication of allowability of claims 1-8.

### **Objection to the Specification**

Applicants have added a sentence including the continuing data information regarding the PCT parent application.

### **Conclusion**

In view the foregoing, applicant(s) respectfully request(s) that the Examiner withdraw the objection(s) and/or rejection(s) of record, allow all the pending claims, and find the application in condition for allowance.

If necessary, the Commissioner is hereby authorized in this, concurrent, and further replies to charge payment or credit any overpayment to Deposit Account Number 50-0238 for any additional fees, including, but not limited to, the fees under 37 C.F.R. §1.16 or under 37 C.F.R. §1.17.

If any points remain in issue that may best be resolved through a personal or telephonic interview, the Examiner is respectfully requested to contact the undersigned at the telephone number listed below.

Respectfully submitted on behalf of:

NXP Incorporated
